ULTRACOZY UC677 POWER RECLINER

Rest and recharge in style and comfort with the **UC677 Power Recliner** by UltraCozy!

The plush, seam back and posture enhancing bucket seat will envelop you in comfort, while five adjustable Comfort Zones allow for the most positioning on the market! In addition to adjustable

headrest and lumbar, our patented wellness recline technology provides seat movement as well as a tilting motion, placing your body in ergonomic and rejuvenating positions and providing the ultimate wellness comfort positioning

The split, open arm design allows for numerous convenience features including a powered accessory mount and removeable touch LED light with two brightness settings, a wireless smartphone charger, a USB charging port, and a cup holder and two storage compartments. Also standard on this model is our HeatWave Technology, a far infrared heat system that helps soothe sore muscles by penetrating up to five inches into the body's tissue.

Available in two sizes, Medium and Large, this recliner will quickly become the favorite seat in the house.
