PRODUCT DESCRIPTION

THE ARTEMIS II POWER LIFT RECLINER

Discover the ultimate in personalized comfort and everyday convenience with the **Artemis II by UltraComfort**. Building on the timeless design of the original Artemis, this upgraded power lift recliner features an ultra-plush bucket-back and a uniquely contoured bucket seat designed to cradle your hips, promote natural alignment, and encourage healthy posture.

Modern front-load open arms enhance both style and function, offering integrated conveniences including a **wireless smartphone charger, built-in cup holder, removable table, and removable LED reading light**—keeping everything you need comfortably within reach. A conveniently located **USB and USB-C charging port** ensures your devices stay powered while you relax.

At the heart of the Artemis II is UltraComfort's **5-Zone Comfort Zone™ System**, featuring our patented **Eclipse™ Tilt Technology** and **Stellar™ Positioning**. Together, they provide endless ergonomic possibilities—from stress-relieving recline to a gentle, cradle-like tilt that helps reduce pressure points, improve circulation, and support overall wellness.

With adjustable headrest and lumbar support, plus optional therapeutic upgrades including massage and heat, the Artemis II transforms everyday sitting into a truly restorative experience.
