

UC676 POWER RECLINER

The UC676 Power Recliner is where modern design meets total-body wellness. Its tailored back and sleek track arms bring a contemporary touch to your space, while the plush chaise pad and pocketed coil seat cradle you in comfort. Engineered for your wellness and relaxation, the patented 5-Zone Eclipse Tilt Technology and Stellar® positioning systems work together to support your body from head to toe, helping to reduce pressure points, improve circulation, and melt away daily stress. An adjustable headrest and lumbar support keep your spine aligned, while our exclusive programmable AutoDrive™ hand control lets you save your favorite positions for instant relief anytime you need it. Choose from Quick Ship or Special order options to find the perfect cover for your decor, making it easy to bring this wellness essential into your home.
