

Artemis II UC571

Comfort Zone™
by ULTRACOMFORT

Discover the ultimate in personalized comfort and everyday convenience with the Artemis II by UltraComfort. Building on the timeless design of the Artemis, this upgraded lift recliner features an ultra-plush, overstuffed bucket-back and a uniquely contoured bucket seat designed to cradle your hips, support natural alignment, and encourage healthy posture. Enhanced front-load open arms add modern functionality and accessibility, now featuring an integrated wireless smartphone charger, built-in cup holder, removable table, and removable LED reading light, keeping everything you need comfortably within reach. A conveniently located USB and USB-C charging port on the side of the chair ensures your devices stay powered while you relax.

At the heart of the Artemis II is UltraComfort's 5-Zone Comfort Zone™ system, featuring our patented Eclipse™ Tilt Technology and Stellar™ Positioning. Together, they deliver endless ergonomic possibilities, from stress-relieving recline to a gentle, cradle-like tilt that helps reduce pressure points, improve circulation, and promote overall wellness. Adjustable headrest and lumbar support allow for personalized alignment, while optional upgrades such as Nirvana™ Swedish Air Massage with Far Infrared Heat, full-body HeatWave™ Technology, or Deluxe Heat and Vibrating Massage transform every sit into a restorative experience.

Note: FDA Class II Medical Devices designed by UltraComfort are intended to assist persons with chronic physical disabilities.
